

# USGA Tournament Management Seminars - Now FREE!

The WSGA is pleased to announce the release of USGA Tournament Management powered by Golf Genius to our Member Clubs in 2017. With new software comes the need for much training across our area in order to get you ready for the next golf season. The WSGA will be hosting several seminars in February to help you get prepared and answer all the questions you have regarding USGA TM.

**The WSGA has decided to make this seminar series complimentary to all in order to get the most attendance. Lunch will still be included.**

**All Members of the PGA and apprentices who attend will earn education credits.**

Each of these seminars will be led by a Golf Genius Employee to better answer all your questions and deliver the most efficient training.

For those who sign-up for one of these seminars, you will receive access to USGA TM the day of the seminar, so please bring your laptop with you to follow along. Wireless access will be made available to anyone who needs it.

**Please keep in mind that the WSGA will not give any facility/club access to the software that has not received any training.** We want everyone to get off on the right foot with this product in order to eliminate some questions down the road.

Please review the following schedule of seminars:

- **February 10th: Skagit G&CC, Burlington (9am – 1pm)**
- **February 14th: Oakbrook GC, Lakewood (9am – 1pm)**
- **February 15th: Sand Point CC, Seattle (9am – 1pm)**
- **February 16th: Meadow Springs CC, Richland (9am – 2pm)**
- **February 17th: Kalispel G&CC, Spokane (9am – 2pm)**

**Additional seminars and webinars will be held in 2017**

To sign-up for one of the seminars above, please visit the Washington State Golf Association website at [www.thewsga.org](http://www.thewsga.org) and go to the Handicapping tab and click on the [USGA Tournament Management Seminar Signup](#).

If you have any questions, please call or email Kevin Jones (253-214-2917 or [kevin.jones@thewsga.org](mailto:kevin.jones@thewsga.org)).

We look forward to seeing you at one of our seminars!
