

Associate Grant Program – New in 2025!

The Western Washington PGA is proud to introduce the creation of a Chapter Associate Education Grant Program, made possible by the Chapter’s continued success and the expansion of its sponsorship portfolio. This initiative is designed to support dedicated Associates who invest significant amounts of time, money, and effort in their journey through the PGA PGM Associate Program.

As part of its mission to serve members and grow the game of golf, the Chapter is committed to fostering the success of its Associates. Investing in their education is one of the most impactful ways to provide them with the resources needed to advance their careers and continue their professional development.

This grant is available to all WWCPGA Chapter Associates in good standing who require financial assistance for costs associated with the PGA PGM Associate Education Program. To qualify, applicants must have successfully completed an education level (Level 1 or above), been employed within the WWCPGA at the time of completion of their previous education level and currently hold employment within the Chapter. PGA Associates who have been suspended during their previous level of completion or during their application window are ineligible.

WWCPGA Associate Grant Deadlines - There will be 2 application windows for Associates to apply:

2025 Cycle 1 = March 10, 2025 – October 6, 2025 - Recipient(s) announced at the Fall Chapter Meeting.

2025 Cycle 2 = October 7, 2025 - March 1, 2026 - Recipient(s) announced at the 2026 Spring Chapter Meeting.

Applications will be reviewed by the Mentorship Committee, Chapter Executive Director, and Board of Directors. Please reach out to any of the following with questions:

Ryan Young, PGA – Mentorship Committee Co-Chair (ryoung@kempersports.com)

Chas Holmes, PGA – Mentorship Committee Co-Chair (cholmes@bearcreekcc.com)

Nick Pollock, PGA – Executive Director (npollock@pgahq.com)
